Angelwood Prepares to Open New Group Home Serving the Beaches Area

We are happy to announce that Angelwood is opening our sixth group home for individuals with developmental disabilities. Located close to the Beaches, this large home will be home for 5 individuals.

In addition to providing long term residential care, a respite bedroom will be available for families who care for a loved one at home. Respite allows a person to come stay at the group home for short periods of time. Sometimes it is an afternoon, overnight or weekend. The beaches area has been previously underserved for respite services. We are especially glad to be able to help families who need this gift of time.

Meet Berlynn...

Please join us in congratulating Berlynn D. on her new job placement with a large national retailer. In preparation for employment, she participated in the Angelwood Day Training and Supported Employment programs. Volunteering at a local food bank enabled her to sharpen her retail skills such as stocking, cleaning, and customer service.

Training through the Angelwood Career Development Center programs help adults learn job readiness skills such as mastering tasks, interviewing skills and workplace etiquette. Way to go Berlynn!

Angelwood Career Development Center Update

It is hard to believe that the Angelwood Career Development Center is already a year old! Last fall, our Adult Day Training program moved in to the 5,000 square feet finished area completing the first phase.

Enrollment in the program has increased to 33 participants. Activities include jewelry and soap making as well as the production of note cards and other original works of art. This program helps adults learn meaningful workplace skills through the arts-based program. Upon completion, Angelwood will be able to increase service capacity and offer more quality programs for individuals with disabilities.

Angelwood riders of the CSX Charity Train Ride stop for a picture.

Thank You CSX!

The CSX Charity Train Ride raised a record \$91,000.00 for Angelwood. While some of the funds will support capital and general needs, this money is primarily used to help our Summer Day Camp possible. We are very grateful for the efforts of everyone involved with the CSX Charity Train Ride.
