## Underwood Jewelers Gives Back

Underwood Jewelers hosted a cocktail reception on May 1 that showcased jewelry from Italian designer, Ippolita Rostagno (bottom picture on left), who also attended the reception. A portion of all proceeds from the reception and proceeding trunk show were given to Angelwood. We are excited to announce that a total of \$14,600 was donated to Angelwood through this event. Thank you Underwood Jewelers!

## Inclusivity in Our Community

Angelwood has a total of six group homes in Jacksonville. These homes are located in residential neighborhoods that are integrated into the surrounding community. At Angelwood, we want to ensure everybody has the same opportunities to participate in every aspect of life to the best of their abilities and desires.

Recently Renee, who resides in one of our group homes, graduated from high school! Her friends at the house hosted a graduation party for her and invited others to join in the celebration of this special time. We are happy to celebrate with her as she begins this new chapter in her life. Congrats Renee!
