

## Self Advocates take on Tallahassee

On February 11th Angelwood participants, parents, board members, and staff met at the capital to speak with our lawmakers at Florida's Developmental Disabilities Awareness Day. This was a great opportunity to learn more about our government and to explore our beautiful capital.

## When Compassion Meets Action

We have always known that Heather has a huge heart and is ready to give back to her community. When she heard that shelter dogs were in need of blankets she knew this was an opportunity to make a difference. She came up with the idea of a blanket drive, rallied the troops, and started collecting blankets. Heather and housemate Gina made a special delivery in mid February to the Humane Society to donate over 40 blankets! Thank you Heather for thinking of our four-legged furry friends!

## 5th Annual Angelwood Walter "Chuck" Foster Sporting Clay Shoot
