

AUGUST-2020

Save the Date for the Angelwood Gala!

Scenes from the 2019 Gala.

Mark your calendar to join us online August 21st for the **2020 Angelwood Gala: Soaring Possibilities & Silver Linings**. The Gala will look a bit different this year as we have decided to move to a live, online event to ensure the safety of our community. Although we will miss seeing everyone in person, we are still looking forward to sharing a festive evening of celebration with you all. Be sure to tune in to see our Corporate Partner of the Year and Soaring Possibilities award winners, as well as some of the silver linings we have found in this unprecedented time.

Save the Date!

- Friday, August 21, 2020 at 6:30 pm
- View the program LIVE on our [Facebook page!](#) (You can watch even if you do not have a Facebook account)
- No cost to attend! [Register here](#) to see our auction items and to make a donation.

While this event is important to help fund our services, it is also important as an opportunity to come together to celebrate our community, those we serve, and how we - collectively - are ensuring that children, adults and families living with developmental differences continue to have access to the high quality care they need and deserve. Thank you for being part of the Angelwood community. We look forward to "seeing" you soon!

Summer Camp Activity Bags for Campers

For the first time since 2002, we had to make the difficult decision to cancel our Summer Day Camp in order to keep our campers, staff and volunteers safe. Thanks to the generous support of the tenants of the Wells Fargo Building and the team at Fortitude Fire Protection we were able to assemble activity bags for our campers that included fun things that campers can enjoy while at home with their families. We so appreciate the local businesses in Jacksonville for supporting this effort and we hope our camp community knows how much we miss seeing them and hope we can see them again when it is safe to do so! If there are any camp families that have not picked up their bags, please email awoods@angelwoodjax.org.

Thirty years ago, our country took an important first step in the realization that people living with disabilities deserve to be recognized and treated with dignity and respect as equals. Angelwood is proud to be part of this journey as we celebrate people for WHO they are rather than what they can't do. The journey continues, but we are grateful for the Americans with Disabilities Act for the strides toward an inclusive society for all!
