

NOVEMBER-2020

Halloween Fun For All!

Halloween 2020 looked a little different than in previous years but residents still had a blast! Each group home celebrated in their own unique way. One house had a dance party with Halloween inspired music, another house decorated cookies, created fall cards and made decorations, and another had a pumpkin patch costume party. In addition to all of the house celebrations, there was also a virtual Halloween get together with all the houses. It was a great time to see everyone and show off some cool costumes. As you can see from the pictures, it was a fun and festive day!
