A Thankful Holiday Season

To the many people and organizations that supported Angelwood this holiday season with donations of gifts and fun holiday meals- *thank you!* In mid-December Santa made a surprise trip to all of our group homes and delivered gifts to the residents and staff. It was quite the festive event thanks to the generosity of a special friend of Angelwood! Additionally, each person living in our group homes received gifts on their Christmas wish list thanks to the organizations and people that sponsored them. We are so grateful for our Angelwood community for coming together to bring cheer during the holiday season! A special thanks to Banyan Street Capital and the tenants of the Wells Fargo Building, Coverall Warjon, and Anna Jensen.
