

OCTOBER-2021

Angelwood Basketball Program

Our new campus has many great amenities including a basketball court! We are putting the court to good use and started a basketball program with plans to participate in the Special Olympics in the future. The first practice was held in late September with coaches Rob Thomas and Damara Farwell. The group worked on basic basketball skills like passing, dribbling, and shooting hoops. "I'm excited so many of our folks are interested in participating!" said Coach Farwell, "Basketball can help develop motor and communication skills across a broad range of ability levels. It also provides a fun form of exercise and the opportunity to be part of a team, which has so many far reaching benefits." Stay tuned for future community scrimmages!

Thank You to Hagan ACE!

We are so grateful to Hagan ACE for the recent Round Up campaign that brought in \$20,046 for Angelwood! We are thankful that they are part of our Angelwood family. To the Hagan ACE store managers and employees that shared Angelwood's mission during the round up and to all the customers that donated, thank you!
