## Celebrating National Employee Appreciation Day!

Happy National Employee Appreciation Day to our dedicated staff at Angelwood! Thank you for showing up each and every day to support the individuals we serve. We appreciate you!

*Our staff is the heart of Angelwood and I appreciate their dedication to making everyday meaningful for the people we serve.*

## Brewing & Learning at the Coffee Café

The smell of freshly brewed coffee is in the air as training started for our new Coffee Café. The main function of the Coffee Café is to provide vocational training and help participants gain marketable work skills such as customer service, communication and interpersonal skills with peers, and working with a supervisor. These skills will help with future employment in the community. This initiative was funded by a generous grant from the PGA TOUR Red Coats. We are so appreciative that this grant has provided a new space for training and learning. Thank you Red Coats!
