Sawgrass Marriott
Ponte Vedra Beach

Dear Friends,

We invite you to join us at the Angelwood Annual Celebration: Soaring Possibilities on **Saturday, August 20th at 6:00 pm.**

This year our guests can enjoy a celebration in person at the Sawgrass Marriott or watch the live stream via Facebook. (Anyone can watch even if they do not have a Facebook account.) We will be showcasing sponsors to a ballroom of attendees, our entire social media community of 1,400 followers, and through email to over 2,300 individuals. **Both sponsorship and auction item donations are a great way to showcase your business and show your support for Angelwood.**

While this event is important to help fund our services, it's also an opportunity to come together to celebrate our community and those we serve. Your support helps ensure that children, adults and families living with intellectual and developmental differences continue to have access to the care they need. We ask that you consider participating and supporting this important event.

Thank you on behalf of the 2022 Celebration Chairs,

Kelly & Scott Gramling

Rachel DuBois & Kevin Padgett

and Honorary Chairs Robin & Dan Wahby

Group Homes

Angelwood has **five group homes** located in residential neighborhoods throughout Jacksonville. Residents are active members of our community by participating in outings, recreation activities, and social events. Our group homes are **open 24 hours a day, 365 days a year**.

Adult Day Training (ADT)

This art-based program provides a creative and meaningful place to spend the day. Activities include music, basketball, creating notecards, painting, and jewelry to sell, and time for peer to peer interaction. **Over 40 participants attend the ADT each day.** We have the opportunity to serve even more people with expanded space at our new campus.

Proudly providing unparalleled services to children, adults and families living with disabilities.

Supported Employment

Supported Employment services are designed to assist individuals who are **seeking competitive employment in the community**. Services can include resume building, interviewing skills, and on-site support once a job is obtained.

Children's Services

Angelwood hosts children's programming for school age children living with intellectual and developmental differences and their siblings. These programs offer children and young adults the **opportunity to interact with peers** while their **parents have some much needed time off**.

Visiting our new Campus is the best way to learn about our services and see how your support directly impacts the people we serve every day.

WHY SPONSOR?

Hear from the companies and families dedicated to our mission.

"Placing our beloved Linda at Angelwood was in retrospect the best decision we ever made for our family. The loving and compassionate care everyone showed to her allowed her to enjoy her life to the fullest, provided our family comfort in accepting help with our beloved family member, and ensured that each of us were at peace when she left this earth knowing how much love had surrounded her every day. Angelwood was an Angel to our Angel – Linda! That is why our family continues to support this event."

- The Wagner Family

"I personally chose Angelwood for two reasons. One, they provide homes, and in essence you are providing an extended family and I don't think there is anything more important than that. But secondly, and I don't know of any other organization that does this locally, is they provide care for children and adults throughout their lifespan."

- Robin Wahby

"In looking at Jacksonville, Angelwood is one of those wonderful communities that is so deserving of help in any way, so it is a natural fit that Firehouse would support them."

- Meg Rose

"It's easy to get caught up in the day to day rush of life, but when you stop and realize what the day to day is like for the families Angelwood supports, it really brings what matters into perspective. I think overall it helps us be more compassionate and helps us serve our customers better. Arlington Toyota is a family owned and operated business and has been for over 40 years. We started in Jacksonville and we like to give back to our community and organizations like Angelwood."

- Rick Doran

"Angelwood is an incredible organization, and we are so grateful to have them as part of our community! The Annual Celebration is an amazing night that we have the pleasure to be a part of. When organizations like Angelwood are successful, the community where we all work and live is a better place."
