

AUGUST-2022

Summer Day Camp is Back!

We are thrilled that after a two year hiatus Angelwood Summer Day Camp is back! Laughter, fun, and lots of joy filled the air as campers enjoyed seeing old friends, meeting new ones, and participating in so many fun activities! Campers had so much fun playing basketball, creating original art, and learning tennis skills during the Tennis for Everyone session! Diane Tuttle, CEO, stated, "We are so happy to welcome back our camp families. It has been such a pleasure to see campers learning, growing, and having so much fun!"
