

OCTOBER - 2022

Thank you to our AMAZING Staff!

Hi the guys wanted to send a photo to show we are cool before the storm 😊 love this.

Thank you to our dedicated staff that ensured the safety and wellbeing of the people in our programs during Hurricane Ian. Everyone came together to prepare and then clean up our group homes and ADT. We are happy to report that all Angelwood properties fared well. We hope that our extended community is safe as well!

Angelwood Community Explorers

We are excited to announce that the Angelwood Community Explorers (ACE) program is back! The first outing took place at Top Golf at the end of September where the group played golf games, enjoyed lunch, and had the opportunity to socialize with peers. ACE is a program of Angelwood's Parents' Night Out service with the twofold goal of giving people an opportunity to participate in community activities with peers and giving parents a few hours respite.

If you know someone that may be interested in participating in upcoming ACE activities, please call the Admin Office at 904-288-7259.
