

MARCH-2023

## Congratulations to our Basketball Rising Stars

In February, we celebrated the end of our 2022-2023 Special Olympics Florida "Rising Stars" Basketball Season with a banquet for the players and their families. Those on the team not only learned basketball skills, terms, and drills, but also commitment, discipline, courage, and teamwork. Coach Damara Farwell shared, *"It has been a wonderful experience partnering with Special Olympics Florida. They provided the structure and equipment we needed to create a basketball program that is both inclusive and fun! Our*

*athletes learned physical and cognitive skills while having the opportunity to be part of a team. It has been such a joy to watch their development and improvement on the court!"*

This was our first season of basketball and we are looking forward to providing additional sports programs in the months ahead. Congratulations to everyone for a great first season!

## We LOVE Our Amazing Staff!

This past week we celebrated National Employee Appreciation Day. We appreciate our amazing staff for their contribution to the mission of Angelwood. Diane Tuttle, CEO, notes, *"Thank you to the staff for helping people look for jobs, changing people, driving people to appointments, making meals, taking people on community outings, doing skills training, writing behavior plans, keeping our facilities safe and beautiful, teaching classes, raising money, keeping track of finances, helping to hire and onboard new staff, supervising staff, and so much more! I am so very grateful that you are part of the Angelwood family."*

## Angelwood Golf Classic - March 29th!
