

APRIL - 2023

## Our Furry Friends are Back at the ADT!

We are thrilled that our friends from Alliance of Therapy Dogs have started making twice monthly trips to our day training program. These visits include therapy dogs spending time in each activity room to give the participants the opportunity to engage with the dogs and their handlers. As you can see from the pictures above, everyone is enjoying special moments with some very special animals!

## Volunteer Group Spotlight

A BIG thank you to **Episcopal School of Jacksonville (ESJ)** for providing the opportunity for exercise and fun during your volunteer outing to our campus! The ESJ students played tennis with participants at our day training program and made time to take a tour of our campus to learn more about our programs and services. We appreciate your support!

At the end of March, the **Wolfson High School National Honors Society** completed a workday at our campus that included pressure washing, cleaning, and sprucing up the sensory garden to make it more accessible for wheelchair users. Thank you to all 43 students for spending a Saturday morning with us!

## Golfers, Sponsors & Volunteers - THANK YOU!

Thank you to our sponsors, golfers and volunteers for making the 22nd Angelwood Golf Classic a success! Firehouse Subs was our Title Angel again this year and provided delicious box lunches for the golfers and volunteers. The day concluded with an awards ceremony where the top three teams were announced. Congratulation to the winning team of Duffy Kopriva, Randy Marshall, Marielle Scarborough, and Brandon Thompson! A special thank you to the staff at The Golf Club at South Hampton for making this such a fun event!

# Parents' Night Out

This past month we hosted a Parents' Night Out event for school aged children and their siblings. The evening included time for the children to interact with each other, play fun games, and participate in a craft project. While the children were being cared for by our staff, parents had the opportunity to take a break from their caregiving duties. A fun time was had by all!

We are looking forward to our next Parents' Night Out event scheduled for Friday, April 21st! Please see below for details and instructions on how to register your child(ren).
