## Leigh Ann selected as Duval County Athlete of the Year!

Congratulations to Leigh Ann on being selected as the **2023 Duval County Athlete of the Year for Special Olympics Florida!** Leigh Ann participates in bowling, surfing, swimming, and equestrian activities. Her bowling team recently received second place at the state level, and she will compete in state swimming in early October. We are proud of Leigh Ann and her athletic achievements! As part of the Angelwood Supported Employment program, Leigh Ann works at our Regency Campus once a week. You may also have seen Leigh Ann on stage as she is a founding member of The Bells of Angelwood handbell choir.

## Gaining Employment Skills in the Community

A group of participants recently made a trip to EJ's Pizza to learn about working in a restaurant as part of the Supported Employment program. The individuals learned job skills like using a register and making pizzas and salads. Thank you to the staff at EJ's Pizza for allowing these individuals the opportunity to practice community employment skills.
