NOVEMBER-2023

**Mark your calendars for the Angelwood Day of Giving on Nov. 15th!** As we prepare to say goodbye to 2023, we thought it was fitting to celebrate a collective day of giving in the same month that Angelwood was founded 30 years ago. We will be sharing stories and pictures over the last 30 years so make sure you are following Angelwood on our social media channels. (Click the icons at the bottom of this newsletter for social media links.)

Please consider becoming a member of the **\$30-4-30 Club**. Your generous gift of \$30 each month for the next 30 months in honor of our 30th anniversary will help ensure that children, adults, and families will have the care and support they need now and in the future. Use the link below to select your donation option. *Thank you for being part of our caring community!*
