## Introducing Juanita

Juanita has been attending the Angelwood Adult Day Training (ADT) program for almost a year after her Support Coordinator found out about our program. Juanita reported that she enjoys all the nice people at the ADT, making art and beaded bracelets. She also goes to many Angelwood Community Explores (ACE) activities and had fun making a custom chocolate bar at Sweet Pete's (she added M&Ms), bowling, and

most recently hearing the Jacksonville Symphony play the music of Harry Potter at the "Symphonic Night at the Movies." This was her first symphony experience and she said she had a great time!

Judy Markowycz, Career Development Director, notes, "It has been a pleasure having Juanita at Angelwood! She really enjoys beading at the ADT and is always up for new adventures with the ACE program. She is such a joy to have in our programs!"
